Consider Taxes When You Invest

Do you have too much in taxable investments?
If so, now might be a good time to reevaluate this issue.
Not only do most people expect taxes to increase due to the federal government deficit, but taxes in many states are expected to rise also.
How will this impact your retirement?

With retirement come additional key factors, such as Longevity, Inflation, Market Risk, and your ability to fund the lifestyle you envision for yourself.

Will your present Income Strategy provide you with the flexibility and control you need to respond to various contingencies and opportunities?
We would like to meet with you to help answer these questions. When you call, ask about our weekly workshops.

Antique Adventure **Marion Show Benefits Historical Society** By Kenneth J. Souza

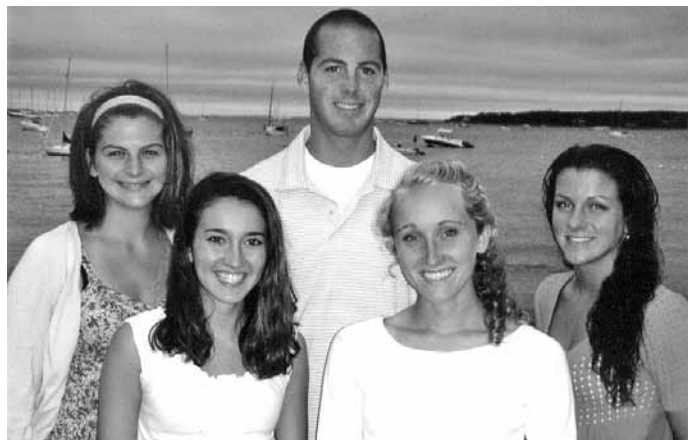

The sixteenth annual Marion Antiques Show is coming on August 15, 16 and 17. Over 60 dealers are expected to participate this year, many from nearby Cape Cod but others from far away — from places like Russellville, Kentucky or Sawyer, Michigan. They hail from big towns like New York City, from tiny towns like Ellington, Connecticut, and from everywhere in between.

Each dealer has a specialty for which they have a special affection. You'll see everything from handsome wall art to Oriental rugs to American and English furniture on display as well as nautical artifacts, estate jewelry, and rare antique prints and maps. And let's not forget the dealer who specializes in American bird decoys.

So how long have these dealers been dealers? Do they know their stuff?

Glancing through their resumes you'll notice "founded the business in 1976" or "was established in 1972" or "over 26 years." Yes, they have been making a living buying and selling antiques and they *do* know their stuff.

The show's setting is grand as always, at Tabor Academy's Fish Athletic Center, and it starts off on Friday afternoon, August 15 at 5:30 pm with a knockout Preview

On August 6 in Shipyard Park, five of the seven runners were presented their awards, including (from left) Katelyn O'Brien, Lindsay Tilden, Peter Asci, Nikita Bourque and Cristiana Pineda. The weekend will include a gala preview party on Friday beginning at 5:30 pm and will continue on Saturday from 10:00 am to 5:00 pm and on Sunday from 11:00 am to 4:00 pm. Party. This three-hour gala event has hors d'oeuvres, clams and oysters and a full open bar to add to the ambience of the evening. The show continues on Saturday from 10:00 am until 5:00 pm and on Sunday from 11:00 am until 4:00 pm.

The Friday Preview will cost \$55 — it's a great deal — or a more modest \$8 on Saturday, from 10:00 until 5:00, or on Sunday from 11:00 until 4:00.

In keeping with the Society's mission to preserve Marion's historic seaside village character, funds raised in previous years have been utilized to complete numerous

valuable preservation and beautification projects throughout the town. Some of these projects include the purchase and renovation of Marion's U.S. Post Office building, management of the Island Wharf project (including paving the parking lot), donation of 22 trees to the Marion Tree Committee to beautify the Route 6 area of town, and the implementation of an extensive archival database and connection with the Elizabeth Taber Library.

Last year's proceeds went toward the development and publication of the popular book, *A Picture Postcard History of Marion, Massachusetts*, which chronicles the town's illustrious past. This year, proceeds from the Show will be dedicated to help fund two important objectives.

A portion of monies raised will be directed toward the purchase and installation of a permanent, energy-efficient air conditioning system for the Walton Nye Ellis House, which is home to the Society's Museum and its archives. Besides providing a comfortable climate for Museum visitors, this system will provide appropriate temperature and humidity levels for the safety and preservation of the many valuable documents and objects within the Society's care, items that hold so much of Marion's important history.

Additional funds will be used to create an exciting new school program, which will be called "Children are our History in the Making." This program will include the purchase and donation of historical literature for classrooms and school libraries, as well as the sponsorship

Devil's in the Details
Police Officers Preferred Over Flagmen
 By Kenneth J. Souza

With Governor Deval Patrick's ongoing attempt to establish a new set of regulations governing the use of police details on roadway work sites, local police departments have weighed in on the benefits of using uniformed police officers over the proposed civilian "flagmen" in their place.

What has always been a bone of contention for some, the pay rate for so-called third-party police details is sometimes viewed as a perk in contract negotiations between the police union and local towns. The hourly rate is generally set during collective bargaining sessions and the hiring of police officers for private detail work is done within the department.

While the need for police details in busy, high-traffic areas certainly makes sense, the new proposal sets out to provide an option for cities and towns to use civilian flagmen on smaller jobs along secondary roads. Estimates suggest police details are paid upwards of \$40 an hour, while civilian flagmen can be hired for about half

that — or \$25 an hour.

But Marion Police Chief Lincoln Miller stressed that these details are not paid out of town coffers and the money is either paid directly or later reimbursed by the private entity doing the roadwork.

"There's no effect on our budget whatsoever," Chief Miller said. "The details are paid by the private concern."

"I don't see where the cost savings will be," agreed Rochester Police Chief Paul Magee. "If companies are saying that detail officers are costing them thousands of dollars, I would suggest that if they eliminate police details, there should be a reduction in my bill — and you know that's not going to happen."

"On any given day, most communities have one to three detail officers out on construction or utility projects," added Mattapoisett Police Chief Mary Lyons. "In an emergency, if needed, those detail officers can be used to assist in the emergency. You will not have that with flagmen."

Both Marion and Rochester police officers currently earn \$39 an hour for police detail work, while Mattapoisett pays \$30 for town detail work and \$41 for third-party details. Although the civilian flagmen may individually receive less per hour, the police chiefs still maintain there are other costs to consider.

"Massachusetts is a prevailing wage state," Chief Lyons said, suggesting the ultimate hourly rate for civilian flagmen could be as high as \$37.50 under the prevailing wage law. "With our \$41 rate you get a trained observer, an EMT, and a police officer capable of responding to an emergency if needed. Is there really a cost savings?"

"I don't see a huge cost savings with the flagmen," Chief Miller agreed. "These companies are still going to have to hire someone who's bonded and there are liability issues."

"In the event of an accident resulting from the flagmen, the construction or utility company would be liable," Chief Lyons added. "Certainly, the community could also be named as a party in the lawsuit."

Chief Miller also maintained that having an on-duty, uniformed police officer present at a job site is

always preferred when dealing with traffic patterns that might affect other areas of town.

"It has an impact on the entire town if they're shutting down roads," Chief Miller said. "There are a lot of things that still need to be worked out. Certainly for us, we would have a lot of extra people on so we can always shut down the detail and have the officers respond immediately if needed. The officers can also stop and help out accident scenes."

"Directing traffic in the roadway certainly is a public safety responsibility," Chief Magee added. "I think it's important that police officers have the authority to direct traffic, stop vehicles, issue citations and enforce speed limits. What's a civilian flagman going to do when he tells a vehicle to stop and they don't? There's just no authority and we have that. People also tend to slow down when they see a police officer — it's a natural reaction. I certainly think that road construction projects are a public safety issue ... and need a police officer."

Chief Lyons said the language in the currently proposed Transportation Bill also grants the authority to direct traffic in a particular direction to the engineer at a particular job site.

"The flagmen are under the engineer's control and would be required to direct traffic according to the engineer and not the police," Chief Lyons said. "That presents problems when there is an emergency such as a major accident. As Chief, technically, I would not be able to tell the flagmen to direct traffic around the accident scene. The flagmen could actually keep sending the traffic ... towards the emergency."

Chief Miller offered two recent examples where having a hired police detail worked to their advantage: the first, when a fugitive was on the loose recently in the tri-town area and a Marion officer headed to a police de-

tail site spotted him, leading to his immediate apprehension. Then, earlier in the day, Chief Miller noted a detail officer called in an accident from a work site and was able to provide a report immediately without having to dispatch additional officers to the scene.

Chief Magee added that having a detail officer on duty also provides additional coverage at no cost to the town.

"We're a small town with only a couple of officers on patrol at any given time," Chief Magee said. "I'd say we have a detail everyday or every other day. That supplements my force. The detail officer's in full uniform, he's got a radio, he's aware of what we're looking for ... that's a free officer for the town with another set of eyes and ears on duty."

While some larger police forces have been known to abuse third-party detail jobs, Chief Magee said there's no history of that locally and he mandates that his detail officers be out on the street and actively directing traffic while on duty, not sitting inside a parked police cruiser. He also feels that if the state is looking to give cities and towns the option of choosing between a uniformed police officer and a civilian flagman, that decision should rest with the Police Chief.

"Ultimately, I think the decision whether to use flagmen or a police detail should fall with the local Police Chief as the person in charge of public safety," Chief Magee said. "I should be the one to make that determina-

This would certainly fall in line with the current collective bargaining agreement the Town of Mattapoisett has with its Police Department.

"The agreement contains language that grants the authority to assign a detail officer to a construction site, highway project or utility company repair to the Police Chief whenever the road is obstructed or or the flow of traffic is hindered," Chief Lyons said.

nament will be taking place on Sunday, August 24 at the Bay Pointe Country Club in Onset. The tournament will work towards supporting the Chuck Michaud Arena Fund.

Chuck Michaud was a very passionate football, baseball and hockey coach at Old Rochester Regional High School. His charismatic style was said to bring out the best in his players, both in and out of the game. Chuck died unexpectedly at a young age, leaving a missing piece on all the playing fields which he left behind. Fortunately, those closest to Chuck were determined to keep his spirit alive.

The idea to commemorate Chuck's life began as a college scholarship. With the high number of students filling out the applications in hopes of receiving the scholarship, it became evident how important Chuck Michaud had been to so many people. It was then that the plan to build a multi-purpose outdoor arena was put into gear. The sporting ground's location was chosen to be behind the Old Rochester Regional Junior High School. The proposal ended up integrating perfectly with the school's new construction.

The arena is being designed for roller hockey, basketball, arena lacrosse, soccer and field hockey. It will be open to any and all people who wish to use it. The project is about halfway completed so far. The floor surface has been recently installed. Boards for the building's construction are in the process of being purchased and assembled.

The Chuck Michaud Golf Tournament, which occurs every August, has become the biggest fundraising event for the arena project. It began as a hockey game but was later replaced by this golf tournament. In past years, the majority of participants have been those who knew and loved Chuck, including old friends, family, players and business colleagues.

This week is the final deadline for putting the finishing touches on the tournament's preparations. Last-minute admissions into the competition may be accepted before Monday, August 18. The country club is located at 1 Baypoint Drive in Onset. It can be contacted at 508 759-8802.

Proceeds from entry fees as well as the event's sponsors, raffle and silent auction will all help out the cause at hand. Jason Medeiros, a former player of Chuck's, is now playing a big role in the fund and is looking to make between \$6,000 and \$8,000 through the golf tournament. This will be added with the previously-raised \$35,000. He believes that if all of this winter's construction goes well, the arena will be ready and opened by next fall.

RABIES

My neighbor and I were talking about our indoor cats. When I asked who her vet was she said that she had never taken her cat to the vet. She said that the cat needed no shots because it never went outside. Is this correct?

Unfortunately, no. This is neither correct nor a rare opinion. Indoor cats need vet care as much as outdoor cats. Vaccination for Rabies are a legal requirement as well as a good idea, at the very least. Rabid raccoons are common and do get into houses and indoor only cats sometimes end up outdoors. Thus, the cats' health and the health of the family may be endangered.

Your neighbor is also thinking of vets as emergency personnel. Much of our job is to prevent illness and suffering. Annual visits are geared towards making sure that the pet is indeed, happy and comfortable. Dental disease, and the pain that goes with it, obesity, and other problems are extremely common in indoor only cats.

of the Little Neck Village Housing Project, members of the Marion Affordable Housing Trust met with a team of representatives from the E.A. Fish Corporation and current residents of Little Neck Village to discuss the winning proposal on Monday, August 11.

"There's been a need for expansion of affordable housing at Little Neck Village," said Housing Trust Chairman Reg Foster during the first in a series of public meetings on the project. "We wound up issuing an RFP in early April 2008 asking for proposals from developers and operators of affordable housing ... asking for anywhere from 40 to 60 additional units at the Little Neck Village site. On July 28 we announced the winning bidder, which was the E.A. Fish group."

"Tonight what we'd like to do is give you a summary of our RFP submission," said Dana Angelo, project manager for E.A. Fish. "To give you an overview of the building design, to the site landscaping, construction phasing, property management and residential services."

"We're very excited about this project and we look forward to working with you," said Edward A. Fish, owner of the company. "What you have chosen is what I would have chosen myself. We want to work closely with the people of the Little Neck Village to make sure their home is everything they expect."

The proposed design includes one large building with 30 one-bedroom units; three similar buildings with six one-bedroom apartments each; and a 2,000-square-foot community building. Ample parking along with landscaping will also be included, along with an onsite bioretention pond to treat stormwater runoff.

"We hope to keep a very open dialogue between the residents and the town," said Mike Fish, introducing his initial two-phase construction plan for the project. "This will be the only plan done without input from the

residents."

Mr. Fish anticipates a quick turnaround time once construction begins — with the larger two-story, 30-unit building to be completed within five to six months. The other smaller buildings — including the community building — will then be constructed once current residents are moved into the new facility.

One potential issue raised during the meeting was the possibility of converting some of the apartments into two-bedroom units, as some of the people on the waiting list for housing need 24-hour assistance.

"Often there are health issues and husband and wife can't share the same bedroom," added Housing Trust member Ora Mae Torres. "Or the configuration where you have siblings who don't want to share a bedroom. Two-bedroom units will give us more flexibility in serving our community."

"We will do everything in our power to accommodate two-bedroom units, but our first priority is keeping the current residents of Little Neck Village ... and keeping it affordable for them," said Edward Fish.

With that, the Marion Affordable Housing Trust unanimously supported a resolution to have E.A. Fish make a reasonable effort to provide two to four two-bedroom units as part of the project.

"I'm impressed with the speed that things are progressing at and I hope the information continues to flow," said Selectman and Housing Trust member Steve Cushing.

"I really love the design and it's been a pleasure to meet the E.A. Fish Company and get to know you folks a bit," said Little Neck resident Dot Burrill. "My comfort level with you is excellent. I feel that you have listened to us and we have a real chance for a wonderful development here."

A notice of intent for the project will be filed with the Marion Conservation Commission (ConCom) on Friday, August 15 with a subsequent hearing slated for Wednesday, September 3.

An application will also be filed with the Department of Housing and Community Development (DHCD) for state funding by October 30.

The board also voted to accept the resignation of Scott E. Pegurri from the Board of Appeals; signed and approved the warrant for the September State Primary to be held on Tuesday, September 16; and voted to transfer funds within the budget.

In other matters, the board:

- Noted the next regular Selectmen's meeting will be held on Tuesday, August 26 at 7:00 pm at the Mattapoisett Town Hall.

- Advised the Board of Appeals is seeking two new members (5-year terms). Those interested should contact the Selectmen's Office.

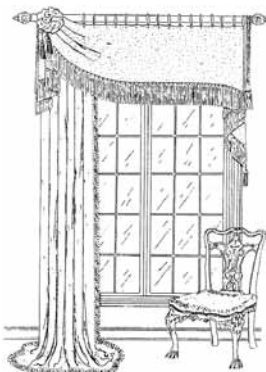

- Received a request from the Mattapoisett Police Association for permission to use the gazebo on September 27, 2008 for a free summer concert to mark the end of season from 8:00 pm to 10:00 pm. Entertainment will be provided by a small, four- to seven-piece classic rock/oldies band. The board unanimously approved the request.

- Received a request from the Mattapoisett Congregational Church to hold their Homecoming Sunday worship service on September 7 beginning at 10:00 am at Ned's Point. The board unanimously approved the request, with the caveat that the parking situation from last year not be repeated.

- Noted the Board of Water/Sewer Commissioners will be holding a public meeting to discuss the Mattapoisett Neck Area Sewer Extension Project on Wednesday, August 13 at 7:00 pm at Center School. To

date, Town Meeting has authorized \$278,000 in design/engineering costs for the project, which is now ready for construction funding.

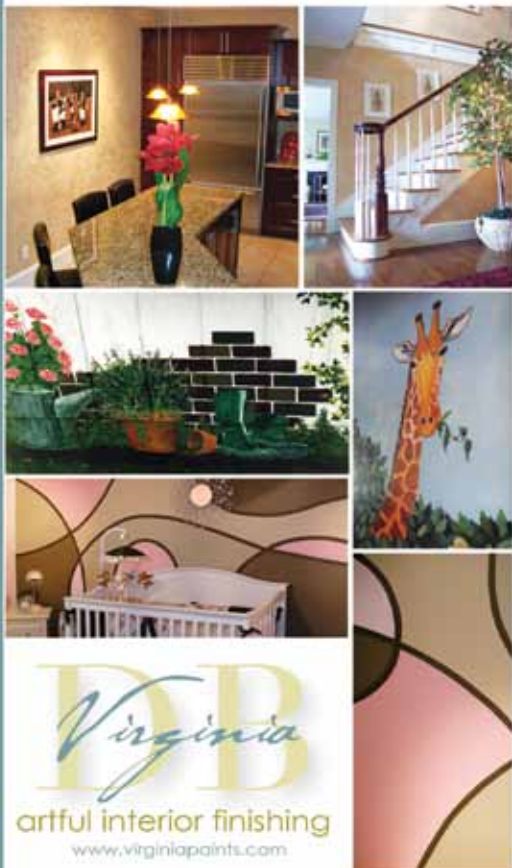

Chairman Lombard then wished to read the following statement into the record regarding the ongoing struggle between the town and a group of individuals who filed and won a lawsuit in the Tinkham Forest Land Swap Deal:

"For some time now, a small group of individuals in town who blocked the town's opportunity to exchange the 20-acre Tinkham Forest for over 400 acres of valuable and environmentally-important land, have been claiming that the Mattapoisett Board of Selectmen is "wasting money" by pursuing an appeal in the lawsuit that these individuals brought against the town. The Board of Selectmen feels that it is time to put the record straight.

The proposed exchange was supported by over two-thirds of the voters at the town's 2004 Annual Town Meeting and would have resulted in the town's acquisition and preservation of land more than twenty times the area of the present Tinkham Forest. Much of this land is in the Zone 2 protection area for the town's drinking water supply, as well as the town's Watershed Protection District, and is vital to the town's present and future water needs. Some of this land would have contributed to the proposed bike path that is to be constructed at the Mattapoisett/Marion border. This exchange would have provided the first ever opportunity for the town to develop a handicapped-accessible public park along the Mattapoisett

River.

Other benefits to the public are too numerous to mention here. In fact, many of the individuals who sued the town have actually suggested that the town should spend hundreds of thousands (maybe millions) of dollars to acquire the very same land that they have prevented the town from obtaining for free.

Many months ago, in November of 2007, the Board of Selectmen made an offer to dismiss its appeal if the plaintiffs would do likewise and drop their attempt to force the town's taxpayers to pay their private legal bills. The plaintiffs refused this offer; yet they continue to publicly attack the Board of Selectmen for not unilaterally dropping the town's appeal.

Most recently, on August 1, 2008, the plaintiffs filed their latest appeal brief with the Commonwealth of Massachusetts' Appeals Court. It is perplexing that these same individuals accuse the Board of Selectmen of "wasting money" by following the will of Town Meeting and pursuing the town's legal rights in this litigation. Even more surprising is that they argue that the town should drop its appeal, while they refuse to drop their own appeal of the court's decision to deny their claim against the town for well over \$100,000 in attorney fees. That's right: these same individuals, who claim they want the town to drop its appeal in order to save the taxpayers money, really just want the taxpayers to pay their own lawyer's six-figure legal bill.

The Board of Selectmen has directed its attorneys to dismiss the town's appeal. If the plaintiffs are really interested in saving the town money, the Board calls upon them to also dismiss their appeals. If the plaintiffs continue to appeal, the public will know that it has not been the Board of Selectmen that has been prolonging this litigation and costing the taxpayers money, but the very individuals who have been leveling this false accusation against the Board."

Under Discussion Items, the board discussed the Open Air Fire Policy for the town, which is in place and

working, according to Fire Chief Ronald Scott. "It seems to be working very well and I haven't had any complaints," Chief Scott said.

Chairman Lombard also asked that the board contact State Representative William Straus to seek his assistance with getting the crosswalks painted along Route 6 in Mattapoisett.

At 7:15 pm the board met with members of the Marine Advisory Board (MAB), Harbormaster Steve Mach, Police Chief Mary Lyons, and Fire Chief Ron Scott, to go over the policy governing the town's fire/rescue boat.

Mach said. "If they call us and say they need more help, we go out."

"That's a guideline ... it's not an end-all, be-all,"

Chief Lyons said. "If there's a situation where we're going to need more help, we'll call in whoever we need. The people on the dispatch desk are trained to determine who should be called."

"I think first response in the name of the game,"

Selectman Randall said. "If a life is involved, it's got to be done. When people go out they should be medically-qualified to handle a situation (on the water)."

"The police are the EMS in this town ... so they go out with (Mr. Mach) on the fire/rescue boat," Chief Lyons said. "That policy was put into effect in 1999 and in 2003 it was determined that the policy was working. If there's an incident that occurred that someone's concerned about, we can address that. Rest assured, when those 911 calls come into the station, we respond with all the necessary resources ... even if it means us commandeering boat, and we've done that in the past."

"We're not looking at changing anything," Chair-
man Lombard said. "The last time this was reviewed
was October 2003 and we thought it was a good time to
review it."

"If you're out on the water, you're better off hav-
ing a VHF radio and call on channel 16 for assistance,"
Mr. Botelho said. "When you call 911 from a cell phone,
it gets routed to the closest tower ... so it may get sent to

"Every emergency is different and every emergency requires different equipment," Chief Lyons said.

Under the Town Administrator's report, Mr. Botelho noted they received bids on several of the town's surplus items and he would like to award these items to the highest bidders. The board unanimously approved his recommendation.

Mr. Botelho also noted a hearing will be held on the Reservation Road parking issue on Tuesday, August 26 at 7:00 pm during their next regular Selectmen's meeting. Residents will be notified of the hearing.

There being no further matters to discuss in Open Session, the board unanimously voted to go into Executive Session at 7:50 pm to discuss pending litigation relative to the construction work at Old Hammondtown School. They would thereafter adjourn for the evening.

Rochester Selectmen's Meeting

August 11, 2008

By Kenneth J. Souza

A regular meeting of the Rochester Board of Selectmen was called to order on Monday, August 11 at 7:01 pm by Chairman Richard Nunes. Also present were Selectman Brad Morse, Selectman Dan McGaffey, Town Administrator Richard LaCamera, Town Counsel Blair Bailey, and Administrative Assistant Veronica Lafreniere.

The board first approved the minutes of the July

The board then considered approving a minor amendment to the town's contract with the Communications Department, which they unanimously approved. The changes entailed making sure there were no less than three permanent full-time positions and no less than one permanent part-time position with the department at any given time (amended from two each previously).

Mr. LaCamera then set the following dates for upcoming regular Selectmen's Meetings: Monday, September 8; Monday, September 22; Monday, October 6; and Monday, October 20 — all to begin at 7:00 pm in the Rochester Town Hall.

He also wished to remind everyone that road

work is continuing on Walnut Plain Road through the remainder of the month.

"The board has met a number of times with resident Tony Sol about his driveway and we've proposed a solution, but he won't agree to it," Mr. LaCamera said. "I think a member of the board needs to meet with him so we can resolve this issue."

Selectman McGaffey agreed to contact Mr. Sol directly about his driveway problem.

Mr. LaCamera also noted their part-time Town Accountant is resigning due to medical reasons. They need to post the position to seek a replacement for at least 20 to 24 hours a week. The board unanimously voted to approve the job description and post the job accordingly.

Next, Mr. LaCamera noted with the recent departure of the Building Commissioner, he is looking to post a part-time position for just 20 hours a week to fill the vacancy. The board also approved this posting.

Mr. LaCamera noted everything seems to be in place for the Rochester Country Fair, to be held the week-end of August 22-24, 2008. They had to fine-tune some parking issues, but apart from that everything is in order.

The board also received a request from the Conservation Commission (ConCom) to consider renaming a portion of town-owned property off Mary's Pond in honor of former ConCom member Georgia Chamberlain. "Again, this is not something you need to take action on right now," Mr. LaCamera said.

Under New Business, Selectman Morse noted they have a proposed Host Agreement from the Casella Corporation to consider bringing in about 400 tons of solid waste per day at a temporary transfer station site in Rochester, pending permitting fees. The suggested host fee is \$3.03 per ton (to be increased each year) with all materials being transferred to the Casella Landfill site in western Massachusetts.

Under the agreement Casella will also:

- Take over the townwide recycling pickup, providing every resident with a 96-gallon rolling toter;
- Accept construction and demolition waste from town-owned buildings free-of-charge;
- Sponsor a Household Hazardous Waste Collection for the town, free-of-charge; and
- Provide a roll-off container at the town's Highway Barn to be picked up and emptied at the towns request, free-of-charge.

"Everything goes into the same container: newspaper, plastic, glass," Selectman Morse said of the new recycling program. "This toter provided to residents will have a barcode that can be read for each household. We figure this will save the town about 10 to 20 percent of their solid waste disposal. It's a real good program. They're just waiting for approval from the Department of Environmental Protection (DEP)."

"This will just be a transfer station," Mr. LaCamera added. "None of it stays here in the Town of Roches-

ter. But we will get the benefit of additional revenue."

With that, the board unanimously voted to approve the new Host Agreement with Casella Corporation as proposed.

At 7:20 pm Chairman pro tem Dan McGaffey continued the Dog Hearing upon a complaint against Ed Rose. Although Mr. Rose was not yet present, his attorney, Robert L. Perry, was there on his behalf.

According to resident and abutter Tim Scholz, he feels there's been a big improvement in the noise since Mr. Rose moved the dogs to an area further behind his home.

"Sunday morning I could hear the dogs going berserk way off in the distance," Mr. Scholz said. "From my perspective, he's moved the dogs and has mitigated the nuisance. But I don't know if it's caused a disturbance for another neighborhood."

"We wanted to know if the (cement) pad had been poured and if the fence had been put up at all," said abutter Mike Fugeron. "Also, we were curious about the plans for a mobile home. We've noticed a diminished noise level from the area and not the continuous noise."

"As far as I'm concerned, the problem is solved — it's over," Attorney Perry said, noting that the original complaints were solely about the dogs' barking and creating a nuisance.

Mr. Rose then arrived and noted he has worked to move the kennels to the open area at the back of his property and has already spent about \$3,000 in new fencing.

"I arrived there on Saturday, unannounced, to the location where the original three kennels were," Selectman McGaffey added. "I went up to the house and when Mr. Rose arrived, he took me to the location where the pad would be and I saw fence around the kennels in back.

In terms of noise, there is definite progress. In terms of getting the whole kennel arrangement in place, I think there's still work that needs to be done."

"This hearing was about noise," Mr. Perry reasserted. "I don't feel we need to be under the gun to get the kennels put in at the back."

"The dogs were very quiet when I went there," agreed Mattapoisett Animal Control Officer (ACO) Kathy Massey, who has been filling in for the Rochester ACO. "I didn't hear a peep out of them and it appears he's working to put up fencing around (the area)."

"The nuisance was the dogs' barking and, as Town Counsel has pointed out, it seems to have greatly improved," Selectman McGaffey said.

"I would suggest we continue the hearing for another sixty days and see if there are any more complaints," Attorney Perry said.

With that, the board agreed to continue the hearing to Monday, October 20 at 7:00 pm to ensure that the barking nuisance has been resolved once and for all.

In other matters, the board noted receipt of a notice from the Buzzards Bay National Estuary Program advising a total of \$135,000 in federal funds has been allocated to assist area communities in protecting open space and local habitat, remediating stormwater discharge, and mapping local wetlands, among other projects. Rochester is one of the communities eligible to apply for a portion of these funds.

Letters to the Editor

To the Editor:

The Friends of Old Rochester Drama (FORD) would like to thank all those who supported our summer production of *Aida*. Thanks go to these local companies who helped to make this production such a success. The success of *Aida* was possible with the help of these companies as well as the countless volunteers who donated their time and efforts, and the many who make annual donations to the ORR Drama Club.

Thank you to all.

Sincerely,

Patty Benner, President

Friends of Old Rochester Drama

To the Editor:

The community of Harbor Beach in Mattapoisett would like to recognize and thank all the businesses for their kind and generous contributions toward our Fourth of July celebration. You made our event a great one! We hope you enjoy the rest of your summer!

Thank you again!

Sincerely,

Residents of Harbor Beach

Tri-Town Business Association

The Tri-Town Business Association will hold its monthly meeting on August 20, 2008 at the Old Rochester Community Television (ORCTV) station located at 345 Front Street in Marion (the "Captain Hadley House"). The meeting will include a presentation by ORCTV to explain and demonstrate its new channels and bulletin board system which are now in place for the tri-town area and offers the small business owners in the area unique opportunities to expand their businesses. The meeting will begin at 7:45 am and end at 9:00 am.

Members and guests are invited to join them on Wednesday, August 20 beginning at 7:45 am. For more information, please contact Pat Shea at 508-748-2689 or Bev Pierce at 508-763-5503.

Mattapoisett Sustainable Living

The Open Forum of the Mattapoisett Sustainable Living Club meets the second Tuesday of every month at the Mattapoisett Library meeting room beginning at 6:30 pm. Please come to discuss environmental and sustainability issues in an informal gathering of like-minded neighbors. The idea is to be kind of like a book club, but

Rochester Historical Society

The Rochester Historical Society is proud to announce its East Rochester Church Museum is now listed on the National Register of Historical Places. This recognition is granted to buildings found to be of historical significance to the community and worth preserving.

Recently the museum roof has sprung several damaging leaks and a new roof is urgently needed. To finance this costly endeavor they have launched a Capital Campaign to raise the needed funds. This repair will be done with the environment in mind — whether disposing of materials or selecting new ones. Donors will be helping us to fulfill their mission of preserving the past for future generations.

Please be generous with a tax-deductible dona-

forward to how the residents transport their homes into the adventurous times of the Wild West!

Members of the Committee will judge each home as they pass by in the parade on Sunday, August 24. The only requirement is that homeowners are asked to have their house address clearly visible for judging. Prizes will be awarded to both the winner and the runner up of the contest.

A Town Ball Game at Dexter Lane kicks off the week on Wednesday, August 20 where the Rochester Fire Department will face off against the Rochester Police Department. The actual Rochester Country Fair itself will take place at Plumb Corner and begin on Friday evening, August 22 with a Woodsman Show contest. Old-Fashioned Country Fair Fun will take place on Saturday, August 23 through Sunday, August 24.

The "Wild West" Theme Parade will step off at 10:00 am on Sunday. Those who wish to participate in the parade can obtain their Parade Applications on the web at www.rochesterma.com or pick one up at Bev Loves Books located in Plumb Corner Mall.

For those who want to participate with their creativity or talent but don't live along the parade route, the fair also offers a Antique and Western Wagon Contest, Photo Contest and Pie Bake-Off contest just to name a few. Additional Fair information is available on the website or by calling Bev at 508-763-5503.

Stimulus Checks for Vets

Some tax stimulus checks *have not* been claimed by those receiving Veterans Benefits. Are you one of them?

It's not too late to apply. You have until October 15, 2008. For help filing an application, please dial "211" or call Volunteer Services at the VA Hospital at 401-273-7100.

Receiving stimulus payments will not cause you filing requirement next year. The Stimulus Payment will not affect any of your Federal Benefits or any federally-financed benefits such as Medicaid, Veterans Benefits, Social Security Payments, Food Stamps, Medicare, and more. The Economic Stimulus Act states that the Stimulus Payment cannot be counted as income or a resource for the month or receipt and the following two months for determining the eligibility for benefits/assistance under any federal program or state or local program financed in whole or part with federal funds.

To meet the qualifying income requirement for the Economic Stimulus Payment, the following benefits need to be reported in any combination on Line 20A of

Moby Tobey in Marion

Tobey Hospital will be hosting the summer's premiere event on Friday, September 12, at One Water Street in Marion.

"Moby Tobey - A Whale of a Party" will benefit the purchase of a digital X-ray machine dedicated to the Tobey Hospital Emergency Department. The evening will feature an open bar, sushi and raw bar, food stations by area restaurants and the 20-piece, internationally acclaimed Compaq Big Band. Cocktails will be served at 6:30 pm and dinner at 7:30 pm.

Ticket prices and sponsorships are available by calling the Philanthropy Office at Tobey Hospital at 508-273-4362. Please RSVP by September 3 to ensure your information will be included in the program book.

Proceeds from "Moby Tobey" will benefit the purchase of a digital portable X-ray unit for the Tobey Emergency Department. This new technology will allow patients who are not able to be transported to Radiology

West Nile Warning

The Massachusetts Department of Public Health (DPH) announced today that several additional samples of West Nile Virus (WNV) were identified this past week. WNV activity has now been confirmed in many Massachusetts counties. Additional WNV infected mosquitoes were reported from the communities of Boston, Needham and Reading. West Nile Virus was also found in birds from areas throughout the state including Fall River, Reading, Saugus, Natick, Worcester and Chicopee.

setts," said DPH State Epidemiologist Dr. Al DeMaria. "There is significant activity in the greater Boston area; as well as communities in the Worcester and Springfield areas. People should consider the virus as being established in Massachusetts for the summer. The warm, wet summer is continuing to support mosquito populations and allowing the virus to spread."

In 2007, there were six human cases of WNV in Massachusetts. While WNV can infect people of all ages, people over the age of 50 are at higher risk for severe disease. WNV is usually spread to humans through the bite of an infected mosquito.

People have an important role to play in protecting themselves and their loved ones from illnesses caused by mosquitoes. Helpful suggestions include:

- **Avoid Mosquito Bites: Be Aware of Peak Mosquito Hours.** The hours from dusk to dawn are peak biting times for many mosquitoes. Consider rescheduling outdoor activities that occur during evening or early morning.

- **Clothing Can Help Reduce Mosquito Bites.** Wearing long-sleeves, long pants and socks when outdoors will help keep mosquitoes away from your skin.

- **Apply Insect Repellent when outdoors.** Use a repellent with DEET (N, N-diethyl-m-toluamide), permethrin, picaridin (KBR 3023), oil of lemon eucalyptus [p-methane 3, 8-diol (PMD)] or IR3535 according to the instructions on the product label. DEET products should

not be used on infants under two months of age and should be used in concentrations of 30 percent or less on older children. Oil of lemon eucalyptus should not be used on children under three years of age.

- Mosquito-Proof Your Home: Drain Standing Water. Mosquitoes lay their eggs in standing water. Limit the number of places around your home for mosquitoes to breed by either draining or discarding items that hold water. Check rain gutters and drains. Empty any unused flowerpots and wading pools, and change water in bird-baths frequently.

- Install or Repair Screens. Keep mosquitoes outside by having tightly-fitting screens on all of your windows and doors.

- Report Dead Birds: Dead crows or blue jays may be a sign that WNV is circulating among the birds and mosquitoes in your area. Call 1-866-MASS WNV to report a dead bird. By reporting dead birds, you can play an important role in monitoring WNV.

More information is available on the DPH web-site: www.mass.gov/dph/wnv. Information about WNV and Eastern Equine Encephalitis (EEE) is also available by calling the DPH recorded information line at 1-866-MASS-WNV (1-866-627-7968), or the Epidemiology Program at 617-983-6800.

Rochester Tree Dedication

Rochester Center has managed to maintain its country charm while all around it other towns have changed dramatically. One of the reasons the quaint way its Town Hall, Church, Vestry and Library, bordered with flowers and trees, are arranged on the Common along Constitution Way. Many of these trees have been planted by various organizations. One of them, the Green Ways Committee is proud to announce that it has recently been selected by the Elm Research Institute to plant an American Elm on the lawn of the Plumb Memorial Library.

In 1984 the Elm Research Institute developed a disease resistant street proven strain of American Elm and called it The Liberty Elm. They have since developed a joint program with the Boy Scouts of America in which a town finds a highly visible location for a tree, plants

the tree and during a public ceremony a commemorative plaque is unveiled and Thomas Paine's poem "Liberty Tree" is read. The town also receives a framed replica of the poem to hang in the Town Hall.

An anonymous philanthropist has donated this complete package to 100 towns and Rochester was lucky enough to be chosen. The local Boy Scout Troop 31 will also receive a generous donation for its participation. It is hoped that this tree, named after Boston's original Liberty Tree, symbol of freedom for the colonists, will inspire patriotism and elm tree restoration, while leaving living legacy in Rochester.

The public is invited to join the Green Ways Committee and BSA Troop 31 to dedicate Rochester's Liberty Elm on Thursday, August 14 at 6:30 pm on the lawn of The Joseph Plumb Library. This date is National Liberty Tree Day and other observances will be held in locations across the country. Refreshments will be served following the ceremony.

Mattapoisett YMCA Clambake

The Mattapoisett YMCA, a Division of YMCA Southcoast, will be hosting a Traditional New England Clam Bake on Saturday, August 23. You are invited to enjoy an evening of delicious food, beautiful waterviews, a bonfire, and quality entertainment by Chris Richards! There will also be a Silent Auction with many one-of-a-kind items available. Attendees are welcome to bring a lawn chair or blanket in order to fully enjoy this outdoor event. Tickets are \$60 and can be purchased at the Mattapoisett YMCA or online at www.ymcasouthcoast.org. Proceeds raised from this event will support YMCA-Southcoast's Annual Scholarship Fund, which provides financial assistance to those in the community who are unable to afford the cost of YMCA memberships, programs and camps. For more information, please call or visit the Mattapoisett YMCA, located at 38 Reservation Road in Mattapoisett. The phone number is 508-758-4203.

YMCA Southcoast has been working to meet the health and social service needs of families throughout the Southcoast area for nearly 150 years. There are currently five branch sites: the Dartmouth YMCA, Fall River YMCA, New Bedford YMCA, Mattapoisett YMCA and the Gleason Family YMCA in Wareham, serving more than 16,000 members. YMCAs embrace people of all ages, incomes, abilities, religions and ethnic backgrounds and build strong kids, strong families and strong communities. Financial assistance is available for membership and programs. For more information, call 508-997-0734, visit the nearest YMCA Southcoast branch, or visit www.ymcasouthcoast.org.

Rochester Country Fair

Antique and Western Wagons are sought to participate in a Wagon Exhibition at this year's Rochester Country Fair. The exhibition will take place on the fairgrounds both Saturday and Sunday, August 23 and 24. The event will go along with this year's "Wild West Theme" and will be judged in the following three categories: Most Historical, Best of Show and Best "Wild West" Theme. Anyone who has a wagon and would like to participate in this community event is encouraged to bring their wagon to fair by 9:00 am on Saturday. Judging will take place at 2:00 pm on Saturday.

MILESTONES

Births

Mali Ayala Ruel-Fedee was born on March 28, 2008. He is the first child of Rachel E.H. Ruel and Cornelius "Madee" Richard Fedee who reside in New Jersey. Mali's proud grandparents are Freda H. Ruel, Edward "Muddy" and Debbie Ruel of Mattapoisett and his late grandmother Emilda Fedee of St. Lucia.

Deaths

Gustave LaStaiti, 98, of Mattapoisett died August 5, 2008 at Tobey Hospital after a brief illness. He was the husband of the late Elsa (Scotti) LaStaiti.

Born in Messina, Sicily, Italy, the son of the late Leo and Sarina (Crisafulli) Staiti, he was raised in Quincy and lived in the Greater New Bedford area most of his life.

Gus was the quintessential American success story, and one in which generosity of spirit and resources have been paramount. Making the most of opportunities that presented themselves, Gus, despite very limited financial resources, soon found himself owning his own beauty salon. He was able to parlay this beginning into a chain of approximately 60 beauty salons throughout New England and New York State. As his need for additional hairdressers increased, he took a decisive step and opened his own beauty academy. In a short time, he became the largest operator of hairdressing academies in New England with fourteen academies, which included the only New York based advanced-styling schools for hairdressers, which he purchased from Charles of the Ritz.

In 1968, he capitalized upon another opportunity and procured the first bank charter in the City of New Bedford in over 100 years. When the Southeastern Bank and Trust Company opened its doors in June of 1969, Gus served as President of the Board and C.E.O. His innovative approach to banking made SBTC one of the fastest growing banks in New England, and in 1980, the bank became affiliated with the First National Bank of Boston later known as Bank of Boston-Bristol and later Bank America. He was also former co-owner of Gold Bond Powder.

Over the years, Gus' contribution to the community has been extraordinary, with distinguished service as a member of the Greater New Bedford Housing Authority, former Chairman of the New Bedford Airport Commission, trustee of the New Bedford Industrial Foundation, and trustee of Southeastern Massachusetts University, now the University of Massachusetts Dartmouth. He was director of the UMass Dartmouth Foundation, where in 1990 he established the Gustave and Elsa LaStaiti Scholarship Fund. Gus was a member of the New Bedford Country Club since 1952 serving as President for four terms. He was also a member of the Wamsutta Club.

Survivors include his daughter, Sandra S. Sylvia and her husband Edward W. of Mattapoisett; seven grandchildren, Lisa Segalas and her husband Harry, Laurie MacDonald, Duncan MacDonald and his wife Gretchen, Brendan MacDonald and his wife Maite, Angela Crowley and her husband Scott, Scott LaStaiti and Monica LaStaiti; seven great-grandchildren, Kyle, Haley, Duncan, Brendan, Zane, Annie and Mack; numerous nieces and nephews.

He was the father of the late Ronald LaStaiti and brother of the late Lillian Voci, Fred Staiti, Assunta Diara and Joseph Staiti.

Arrangements were with the Saunders-Dwyer Mattapoisett Home For Funerals, 50 County Road (Route 6) Mattapoisett. Remembrances may be made to the Gustave and Elsa LaStaiti Scholarship Fund, c/o the Foundation Department at the University of Massachusetts at Dartmouth, 285 Old Westport Rd., Dartmouth, MA 02747. For on-line guestbook, please visit www.saundersdwyer.com.

Alice R. (Robinson) Costa, 84, of Marion died Monday August 4, 2008 at Sippican Healthcare Center after a brief illness. She was the wife of Manuel C. "Buddy" Costa.

Born in Marion, the daughter of the late Charles and Alice (Quinn) Robinson, she lived in Marion for most of her life.

Mrs. Costa was formerly employed as a telephone operator for New England Telephone, and later worked as a dispatcher for the Marion Police and Fire Departments for 28 years until her retirement.

Survivors include her husband; two daughters, Linda Costa of Marion and Patricia Ferguson and her husband Neil of New Bedford; a sister, Frances Mazzerole of New Bedford; two grandchildren, Gena Costa and Staff Sgt. Terrell Costa and his wife Danielle; and three great-grandchildren, Andre Costa, Daquan Costa, and Tyzhaya Costa.

Remembrances may be made to the Bird Island Trust Fund, 2 Spring Street, Marion, MA 02738. For online condolence book, please visit www.saundersdwyer.com.

Vernon M. Pais, M.D., 68, of Mattapoisett died Thursday August 7, 2008 of pancreatic cancer at his home. He was the beloved husband of Lois J. (Paoletti) Pais. He was born in India and had been a resident of Newton for 33 years, moving to Mattapoisett two years ago.

Dr. Pais was on the active staff of Urology at Caritas St. Elizabeth's Medical Center for 33 years, emeritus chief of Urology and clinical professor of Urology at Tufts University School of Medicine. He was a fellow of the American College of Surgeons and many professional societies. With Dr. Lily Lawn, he pioneered ultrasound guided seed implantation of prostate; they had performed over 1,000 seed implants with a success rate at 98 percent in localized prostate cancer.

Lois and Vernon were instrumental in starting Cancer Care Advocates, a group of volunteers raising funds to provide for the needs of cancer patients.

He is survived by his beloved wife, Lois J. (Paoletti), devoted sons Vernon Jr., M.D. of Hanover, NH and Edward of Westminster, MD; daughters-in-law, Sandra and Amanda; grandchildren, Eric, Kyle, Gabriella and Nicholas. His three sisters and one brother live in India and his youngest brother, Derek lives in Burlington, with his wife Jeanne and two children, Daniel and Hannah.

Visiting hours will be held on Friday August 15 from 4:00 to 8:00 PM at Saunders-Dwyer Mattapoisett Home for Funerals, 50 County Road, Mattapoisett. A Mass of Christian Burial will be held at St. Anthony's Church on Saturday August 16 at 11:00 AM. Burial will follow in Cushing Cemetery. Friends and relatives are kindly invited to attend. In lieu of flowers, donations in Dr. Pais' memory may be made to the Cancer Care Fund, Caritas St. Elizabeth's Medical Center, 736 Cambridge Street, Brighton, MA 02135. For directions and guestbook, please visit www.saundersdwyer.com.

Helen B. Thacher, 92, died at her home in Marion, MA on July 25, 2008. She was the widow of Ralph Thacher; and daughter of the late Kathrene S. (Blanchard) and Alden C. Brett.

A graduate of Mount Holyoke College, she was an active member of the Marion and Franconia, NH communities.

She is survived by her children, Joan T. Tiffany and Brett W. Thacher, their spouses, Edwin P. Tiffany and Pamela Thacher; five grandchildren, Thacher and Kathrene Tiffany, Thacher's fiancé, Lily Pollans, and Eben, Charles and Samuel Thacher; nieces and nephews, Dorothy Pitt, Susan Mead, Geoffrey Patterson and Christopher Patterson.

Services will be at 11:00 AM on Friday, August 22 at Saint Gabriel's Church in Marion. In lieu of flowers contributions may be made to Hospice, the Sippican Lands Trust or Mount Holyoke College.

MOVIE REVIEW

Stone Cold

By Rob Gonsalves
www.efilmcritic.com

Pineapple Express. Starring Seth Rogen and James Franco. Directed by David Gordon Green. Running time: 105 minutes. MPAA rating: R.

Last summer's *Superbad* was written by Seth Rogen and Evan Goldberg when they were thirteen. Their new one, *Pineapple Express*, could've been written when they were twelve. In fits and starts, that's a good thing. *Pineapple Express* is an intentionally unstable mix of two vastly different elements — the slacker-stoner comedy and the violent drug-runner action movie. Even the title — referring to a particularly potent blend of marijuana — is bifurcated: the first word suggesting relaxation and tropical fruit, the second evoking the paranoid busted-for-possession drama *Midnight Express*. The result is an odd but intermittently pleasing experiment that might lose stoners with its gore and action fans with its glazed, circular weed chat.

Dale Denton (Rogen) is a scruffy process server who tokes on and off the job; his dealer is Saul (James Franco), who sits in his apartment all day watching two TVs and hoping for some worthy company. Dale witnesses a drug killing, and the two go on the run; they can't go to the police because one of the killers (Rosie Perez) is a cop. The movie, directed by indie-film critics' darling David Gordon Green in a radical change of pace from quiet dramas like *George Washington* and *All the Real Girls*, follows these two shambling nitwits as they flail through a paranoid nightmare, a stoners' worst-case scenario.

Bill Murray once told Roger Ebert that he knew movies were changing when he saw a comedy that featured someone getting shot and smearing blood across a mirror. "I thought 'This isn't comedy; this is something else,'" Murray said. *Pineapple Express*, and next week's even more brutal *Tropic Thunder*, are the latest examples of that something else: black comedies in which people die graphically and you aren't expected to care. The blood is spilled as casually as Saul's Slurpee across a cop's windshield; people are crushed, have chunks of their ears shot off, are shot multiple times yet still inexplicably walk around.

Rogen and Franco make a classic comedy duo: the (relatively) straight-laced, uptight guy and the hapless cretin. Dale, however, is so

immature he's dating a high-school girl (Amber Heard), while Saul is only into selling pot to save enough money to provide for his beloved grandma. Pretty much everyone onscreen is pathetic in some way, and Rogen and Goldberg try to breathe the quirky life into some of the characters, like the bickering hit men pursuing our heroes, one of whom wants to be done with this whole dirty business so he can go home and have dinner with his wife for once. Judd Apatow produced *Pineapple Express* (yep, here's yet another Apatow thing), but unlike most Apatow comedies, this one doesn't deliver its childish heroes into respectable lives with good women; indeed, it rejects that altogether in favor of bromance.

I laughed a few times, mainly at the desperately klutzy quality of some of the violence. A fight between Dale and Saul's dealer Red (Danny McBride) practically takes out the entire apartment; the choreography must have been very precise (or Rogen and McBride would probably be dead) but looks realistically ramshackle. And some of the comic friction between the many pairs of characters in the film pays off nicely: Rosie Perez and Gary Cole (as the murderous drug dealer) are the unluckiest sexy partners in crime since Kelly Lynch and Sam Rockwell in *Charlie's Angels*. But I was still left feeling nonplussed and unsatisfied. The experiment doesn't work, especially when, like *Hot Fuzz*, it devolves into gunfire and explosions. It may be Rogen and Goldberg's idea of a really cool way to end a stoner comedy, but then I think of the blockbusters of the last two decades and how they've fostered young filmmakers' ideas of what's really cool — things blow up! Lots of people die! — and it gets a little depressing.

SALOME'S STARS

ARIES (March 21 to April 19) There might still be some uncertainty about the decision you made. But a quick check of the facts should reassure you that you're doing the right thing.

TAURUS (April 20 to May 20) The tidy Taurean needs to be a little more flexible about accepting some changes to those carefully made plans. You might be pleasantly surprised by what follows.

GEMINI (May 21 to June 20) Consider stepping away from your concentrated focus on your new project for a bit so you can get some perspective on what you've done and where you plan to take it.

CANCER (June 21 to July 22) The understandably angry Crab might not want to accept the reason why someone might have tried to hurt you. But at least you'll have an insight into why it happened.

LEO (July 23 to August 22) There might be some facts you still need to know before leaping onto center stage. Best to move carefully at this time so that you can observe what's happening around you.

VIRGO (August 23 to September 22) It's a good time to expand your outlook by getting out and around, whether you do some long-range traveling or just explore the great things to see closer to home.

LIBRA (September 23 to October 22) Your wise counsel continues to be needed as that family situation works itself out. Meanwhile, the decisions you made on your job begin to pay off quite nicely.

SCORPIO (October 23 to November 21) Your job situation brightens thanks to all your hard work. Now, spend some time repairing a personal relationship you might have neglected for too long.

SAGITTARIUS (November 22 to December 21) Aspects favor action in the workplace. Line up your facts and show your superiors why you're the one they're looking for.

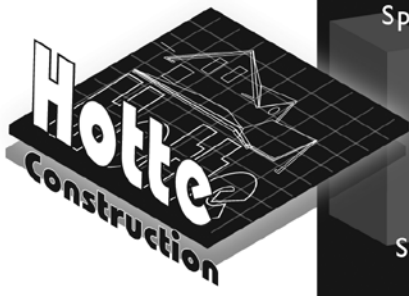

CAPRICORN (December 22 to January 19) Your hard work pays off on the job. Personal relationships can also benefit from more of your time and attention. Spend the weekend with loved ones.

AQUARIUS (January 20 to February 18) Early feedback on your project might be disappointing. But don't be discouraged. Use it to make needed adjustments, then submit it to your superiors again.

PISCES (February 19 to March 20) Flattery could lure the otherwise sensible Fish into making an unwise decision. Be careful. All that praise might be an attempt to reel you in before you can learn the facts.

BORN THIS WEEK: You have a wonderful sense of who you are. You are a shining example to others, helping them believe in themselves and what they can do.

Dr. Jean Peelor Treats the Cause, Not Just the Symptoms

What is Craniosacral Therapy?

CST is a gentle, hands on technique used to detect and correct imbalances in the cranial bones, the sacral bone and the membrane that surrounds the brain and spinal cord. Restrictions in the craniosacral system may be the cause of sensory, motor or mental dysfunction. Others have head, neck, face, jaw, shoulder, arm or musculoskeletal pains, depression, vision, hearing, taste, tinnitus issues that are caused by imbalances in the bones of the cranium.

What are cranial problems?

Cranial problems are imbalances in the normal motion of the skull bones. Many people suffer from chronic pain. Others have neck, face, jaw, shoulder, arm and/or musculoskeletal pains that are caused by imbalance in the bones of the cranium.

What does Craniosacral therapy have to do with head injuries?

Craniosacral therapy is a treatment that Dr. Peelor utilizes to correct the physical consequences of a head injury, and therefore alleviate the symptoms. She will treat the cause, not just the symptoms

What conditions does Dr. Peelor treat in her office?

Cranial problems: Concussions, Post Concussion syndrome, TMJ dysfunctions, vertigo, tinnitus, loss of taste or smell issues, eye motor coordination, soccer players that head the ball, chronic neck and back injuries, Fibromyalgia.

Dr. Peelor has moved to:

Westport Chiropractic, 637 State Road, (Rte 6), Westport, MA

urday, August 23. *Note: If you can, please bring your own bags and/or boxes to the Saturday SERVE pick up.* SERVE New England is a non-profit food cooperative that offers monthly distributions of meats, produce and other grocery items at 30 – 50 percent discounts. It is open to all persons regardless of age, race or income level, and only requires participants complete two hours of volunteer service a month to qualify. Pick up a SERVE newspaper at the Senior Center to check out what is available.

- **Healthy Losers** – This is a weight loss support group. There is no charge to join this Rochester Weight Management group. Just come! It meets every Monday from 1:30 – 2:30 pm. Members are weighed in weekly and information is shared weekly with attending members on experiences, healthy recipe choices, and other nutritional tidbits. No special diet is followed. It's whatever you're comfortable with. Please consider joining us! All ages and genders welcome.

- **Volunteers Needed** – The Rochester COA needs a few strong volunteers who would be available on a Monday or Thursday afternoon, around 3:30, to help take down tables and move chairs in preparation for the evening dance classes. If you have half-hour to spare on either or both of these days, and would like to help us out, please let us know! We'd be so grateful. The COA is also looking for a few good cutters with extra time to cut up coupons from the newspapers and advertisements. The suggestion was made recently to start a coupon file to

ATTENTION DRIVERS

If you are involved in a collision you have the right to have your investment, your vehicle, repaired at a shop of your choice. Your insurance company may suggest a list of repair shops. Do not be persuaded by this list, it is not a guarantee of quality of services, nor does it limit your options. You want a shop who will work for you and with you to put your vehicle back to pre-accident condition. **COLLISION SERVICES OF MARION, INC.** is a licensed, bonded, registered repair shop with the state of Massachusetts. We work with all insurance companies to expedite your repairs. The important thing to remember is we repair the vehicle for you, our customers, not the insurance companies. So remember, if the need arises, contact **COLLISION SERVICES OF MARION, INC.** to get back on the road.

cost with any insurance issue, private group plans, as well as Medicare and Mass Health. Call the Senior Center to make an appointment to meet 1-1 with one of the counselors.

- **BINGO – Feeling Lucky?** Why not try your luck at our weekly BINGO game at the Senior Center? The crowd is building. Bingo is held on Wednesdays from 12:30 to 3:30 pm with a refreshment break. We play by the Senior Citizen Recreational Bingo Massachusetts laws. 50 cents per card. No card limit. 25 cents a game. All money collected will be given in prizes that afternoon. Anyone is welcome to come! We hope you'll come.

- **Computer Classes** have stopped until September. However, feel free to stop in at any time to use the computers at your leisure. They are all hooked up to the internet and the printer for you use.

- **Large Print Library Books** – The Plumb Library has brought a large print collection of library books at the Senior Center. Anyone who would like to sign out one of these books is welcome to do so. If you want to read a book, please sign it out in the book and sign in when you return it.

- **Barbecues are Back** – Join the Rochester COA every Monday afternoon for a delicious BBQ at the Senior

Center. Grilled fare is the menu, complete with all the fixings. With the summer weather finally here, you can eat out or eat out, whatever your preference. No set cost for the meal, but a cash donation is appreciated. All we ask is that you call us in advance to reserve your spot, so we will have enough food for everyone.

- **Blood Pressure Clinic** – The monthly free blood pressure clinic will be held on Thursday, August 21 at the Senior Center. Any senior is welcome to come. This program is made possible by Southcoast Visiting Nurses.

I Found the Aardvark!

Each week, hidden somewhere in the pages of *The Wanderer* is a tiny drawing of an aardvark. The little guy you are looking for looks exactly like the one pictured above (but don't put down this page as your answer, there's another one hidden somewhere in this issue).

Once you find the aardvark you can submit your answer online and if you are right you will get Aardvark Points! You can then use these points to get cool Aardvark Prizes!

Each time you find the Aardvark you will also be entered in our monthly drawing for other cool Aardvark Prizes.

If you would like to enter the monthly drawing by mail, send your name, address and phone number along with the issue date and page number you found him in to: Wanderer - I Found the Aardvark, P.O. Box 102, Mattapoissett, MA 02739. Entries by mail will not be eligible for Aardvark Points.

To enter visit: www.wanderer.com and Click on "I Found the Aardvark"

**In the August 7 issue
the Aardvark was on page 64!**
